UMCOR Relief Donations for Haiti

Health Specialists say soap could slow the outbreak of Cholera in Haiti. Washing hands is the easiest method to slow the disease. More than half the population lives on less than \$1.25 a day. Soap costs 50 cents. Parents use the little money they have to buy food instead. United Methodists can help by making donations to UMCOR who is working with their partners to address the Cholera outbreak in Haiti. Gifts can be made at www.umcorhaiti.org.
