**New Worship Bags**

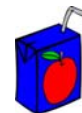

Our new worship bags are here! Included in the bags each Sunday will be two versions of the children's bulletin for that morning (younger and older) a children's bible, a dry erase lap board, crayons and biblical activity books, pencils, bookmarks and much more. The cost of the bag and all of the fillings are \$40.00. I am looking for donations to be made in honor or memory of a loved one. A special label will be placed on the back of the bag with that person's name on it. The bags will be located on a new rack located at the back of the new building.

We even have two new children's greeters:

Thanks to Shannon and Diane O'Grady. Please see Bonnie Smith for purchase of a bag.

**Snacks and Drinks Needed**

It is that time again - time to collect Sunday School and Nursery snacks and drinks.

We are in need of small bottled waters, juice boxes and any type of individually wrapped snack items. When bringing these items to the church please place them in the NEW kitchen and label them Sunday School. Thanks again!
